

Make The Gift That Keeps Giving

Support the Nourished For Nil Community Group Fund

Nourished for Nil is a non-profit food rescue organisation located and founded in Hawke's Bay, with a passion for reducing food waste whilst nourishing the community.

'In 2021, the organisation rescued and redirected 1.039 million kgs of food and served over 1200 families a week across its branches.'

Hawke's Bay Foundation is proud to partner with Nourished for Nil to help provide them with long term, sustainable funding. All donations received to the Nourished for Nil Community Group Fund will be invested, and the income gained given back to Nourished for Nil, every year, forever.

Giving to the Nourished for Nil Community Group Fund means the staff and volunteers can spend less time fundraising, and more time doing what they do best – looking after our environment and local community.

- Jeanette and Peter Kelly

"I chose Hawke's Bay Foundation to manage my charitable giving because there's no bureaucracy, it's local and gets through to the people who need it. It's got integrity and I like that."
